

GREENLAND - GLACIERS AND FJORDS

ITINERARY

Day 1

Return boat transfers are included at set times from Narsarsuaq.

The arrival transfer will depart Narsarsuaq after the last flight has arrived (c.15:10). If all guests are on an earlier flight, the transfer will be brought forward. The return transfer will leave the farm early morning to cater for guests booked on early flights.

We recommend flights with Air Greenland from Copenhagen.

On arrival at the village of Qassiarsuk a team-member of Riding Greenland will welcome you. Your luggage will be driven to Riding Greenland Hostel and you will be given directions to walk to the hostel - the harbour is very close to the hostel.

A team-member of Riding Greenland will show you to your room upon arrival to the hostel and you will be informed what time dinner will be served.

Riding Greenland Hostel has both private and shared rooms. There is free Wi-Fi and free use of a washing machine for the guests.

Day 2

After breakfast, head out to meet the horses. After an introduction, the guides will match guests with their horses.

The ride will be short and at a steady pace today to ensure that everybody is comfortable with their horse. The entire introductory session will take about 3 hours.

Lunch will be served in the dining-room and the rest of the day is at your leisure. Dinner will be served between 18:00 and 19:00.

Day 3

After breakfast in the dining room, everyone will make a packed lunch for today's ride.

When everybody is ready, head out to meet the horses. Today's ride will be around 17km and lunch will be a picnic in the mountains. Ride through a farm called Qorlortup Itinnera and thereafter, arrive to a another farm called Tasiusaq. This afternoon, leave the horses in the mountains and transfer back to the hostel. Dinner will be served between 18:00 and 19:00.

Day 4

After breakfast and packing your lunchbox, head out again this morning on the horses. Ride onto a beach and have lunch overlooking the glacier. Later, head back to Tasiusaq farm. Today's ride is around 22km.

Leave the horses in the mountains and be driven back to the hostel. Dinner will be served between 18:00 and 19:00.

Day 5

After breakfast, be driven back to the horses. Today, you will ride from Tasiusaq farm to Qassiarsuk village - about 10km.

On arrival at Qassiarsuk, go for lunch in the hostel. After lunch, the national dress of Greenland will be on display in the dining room. Dinner will be served between 18:00 and 19:00.

Day 6

Today is a non-riding day.

After breakfast this morning, head up the mountains in the vehicle for a tour of the area. This will be around 3 hours before heading back to the hostel for lunch.

In the afternoon, visit a site of some Norse ruins and learn about the Vikings. Dinner will be served between 18:00 and 19:00.

Day 7

This morning once everyone is ready, head to meet the horses and ride from the farm to Inneruulalik for lunch. During lunch there is time to hear tales about life as a sheep farmer in South Greenland.

After lunch, set off on horseback and ride to the village Qassiarsuk. The entire ride today is about 14km. Dinner will be served between 18:00 and 19:00.

Day 8

After breakfast this morning, walk to the harbour for your transfer back to Narsarsuaq. Your luggage will be driven from the guesthouse to the harbour.
