Nine Quarter Circle Ranch, Montana

**Itinerary**

Each day there are a number of different rides departing the ranch, including two two-hour rides for all levels of rider. Each week there are two all-day rides for intermediate to advanced riders.

There is also an overnight pack trip each week for riders ages 13 years and up. This takes you into the high country to camp near a mountain lake or stream. Please note that the pack trips are dependent on a minimum number of people and extra cost (payable locally).

Extended pack trips in late summer are also available into the Taylor-Hilgard Wilderness Area and the National Forest surrounding the ranch. It may also be possible to travel to Yellowstone National Park.

For those who want to try a hand at Western Games, there is usually chance to do so on a Saturday morning.
