

Ranch Stay, Montana

Itinerary

Normal check-in to your room is at 4pm, however you are welcome to arrive in time for lunch and to enjoy an afternoon activity. This activity should be booked in advance.

After checking into The Ranch and meeting with the Concierge to arrange your first activities, the Rod & Gun Club becomes your home base for everything outdoors. Situated near to the Classic Canvas Cabins this is the activities hub of The Ranch. Here you can borrow cowboy boots or get suited up in waders before heading out with a fishing guide.

You are recommended to book two activities per day. Accommodating your preferences and desires is the top priority of the ranch. So that you can get to do everything you wish, the Rod & Gun staff strongly encourages pre-booking activities in advance. This ensures that you will have plenty of opportunities for adventures.

When you arrive at the ranch, you will usually have an introductory lesson in the arena after lunch.

The rest of your stay is very flexible, but the normal itinerary would be to ride in either the morning or afternoon with the rest of the day free for other activities. Keen riders might choose to ride at every opportunity.

One day you could join a morning breakfast ride, followed by a trek into the hills. After lunch you could have a go at archery or relax in the spa.

Another day could involve games in the arena, a trail ride or a stagecoach trip.

All itineraries are customised to meet personal preferences and ability.

Check-out on your departure day is normally at 11am. However, if you have a late flight, you are welcome to enjoy a final morning activity and lunch at the Ranch before departing in the afternoon. If your room is needed for arriving guests then your luggage can be stored and you are welcome to use the Granite Spa facilities to freshen up before leaving.
