

# Quinta do Rol, Portugal

---

## Itinerary

You can arrive and depart on any day. The minimum stay is 3 nights. You can choose to have one or two lessons a day.

On your arrival day you may arrive at any time but afternoon is preferred and usually you cannot check-in to your room until 4pm.

The timing of lessons will be agreed locally and will depend on your wishes, the availability of horses and the number of other guests.

Prior to or during your first lesson you will have an opportunity to discuss with your instructor what you are currently doing and what you would like to achieve.

On your departure day you will need to vacate your room by midday, but may depart later in the day.
