

PORTUGAL - QUINTA DO ROL

ITINERARY

We can arrange transfers from Lisbon airport or Lisbon city.

Alternatively, you could hire a car and drive to Quinta do Rol, which is recommended if you wish to explore the area between riding sessions. The journey time from Lisbon airport is approximately 45 minutes.

Check-in to your room is possible from 16:00. You may arrive earlier and pre-book to have lunch if you wish. If you are not riding on arrival day, then we recommend you check-in before 18:00 so that you can settle into your room and be in time for dinner. The absolute latest check-in time is 20:00.

On your departure day you may book to ride, but you will need to vacate your room by midday so that it can be made ready for arriving guests.

Check-in is between 16:00 and 20:00. You will need to vacate your room at midday if there are arriving guests.

Each day, including weekends, follows a similar pattern. Breakfast is from 08:30 until 10:00. Lunch is at 13.00 and dinner is from 19:00. The precise timing of your riding sessions will be confirmed to you locally.

Prior to or during your first lesson you should discuss with your instructor your dressage experience to date and what you wish to achieve from your stay. We have sent your riding details to your hosts at Quinta do Rol, however the instructors like to have additional information and so you may be asked to complete a riding questionnaire on arrival.

If you would like to switch one of your lessons to a Working Equitation session, you will need to reiterate your request directly to your instructor during your stay.

The family run wine estate of Quinta do Rol has a total of nine guest rooms spread between four cottages. Each bedroom has a private bathroom (some are en-suite).

Each cottage has a fireplace and a shared living room. There is also a kitchen where guests can help themselves to tea, coffee and cold drinks. The guest accommodation has air conditioning.

Meals are served in the main dining room and there are plenty of places to relax between riding sessions. There is a swimming pool (covered but not heated); as well as a tennis court and basketball court.

It is a short walk from the cottages to the riding centre.
