

New Year Ride, Spain

Itinerary

Day 1

Your transfer from Madrid will take you to your accommodation in Trujillo.

Later over dinner you get to know your guide and chat about the days ahead.

The following is the proposed itinerary but please note that changes are possible due to weather and local conditions.

Day 2

After breakfast it is time to meet your horses, saddle up and set off for your first morning ride.

This morning's ride takes you through the 'Dehesa', which is a multifunctional agrosilvopastoral system. This is used primarily for grazing but also produces a variety of products such as honey, cork and firewood. It also provides a protected habitat for endangered species such as the Iberian lynx and Spanish Imperial eagle.

After a delicious lunch of paella accompanied by white wine, you ride for a further two hours.

When you arrive at your overnight accommodation you will help to look after the horses before meeting for dinner.

Day 3 New Year's Eve

In the morning you help to catch your horse, groom and feed them. Then it is time to have breakfast before heading back outside to tack your horse up and set off.

Today you get to ride through ancient Mediterranean Forests.

Enjoy a relaxed lunch close to Garciaz and then continue riding in the afternoon. Back at the Finca, there is time to relax before a special New Year dinner. You will enjoy a typical Spanish New Year dinner with the tradition of welcoming the new year with 12 grapes, one for each bell at 12.

Dinner and overnight at a guesthouse.

Day 4 New Year's Day

During the day you will have chance to admire the impressive Villuercas landscape. Sightings of vultures, eagles, azure-winged magpies, red-billed choughs, shrikes and ravens are often seen – so you may want your camera at easy reach.

Villuercas has been declared Geopark (UNESCO, 2011) because of its cultural and natural heritage and,

because it holds great geological value. This is a very rural region where the fields are lined with stone walls.

Enjoy a leisurely lunch, and your last opportunities before heading to your last accommodation.

Dinner and overnight at a guesthouse.

Day 5

After breakfast transfer back to Madrid in time for your flight.
